School	Willaston CE Primary School		
Academic Year	2020-2021	Total Sports Premium budget: £17,789	Date for next internal review of this strategy: July 2021
Total number of pupils	212		

At Willaston CE Primary we are committed to providing quality learning in a positive, happy, Christian atmosphere where everyone within the school community is valued as an individual. We have high expectations of all and strive to provide a safe, challenging, exciting and stimulating environment. Our sports premium is used to help us further develop the thriving and diverse sports culture at our school and equip children with the skills, knowledge and experiences required to fulfil a balanced, active, healthy lifestyle as well as the competence to excel in a range of activities. Through the Sports Premium funding we ensure that all children, regardless of sporting ability, have access to a wide range of different activities and the opportunity to improve their own performance, achievements and skills and recognize their success. We closely monitor how we are spending the allocated funds to ensure they are having maximum impact on all pupils' achievement.

Desired outcome	Impact: Did you meet the success criteria?	Lessons learnt	Approximate Cost
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p>	<p>Peer coaching took place providing regular PE CPD for staff.</p> <p>CPD sessions involved observations of a qualified sports coach, planning of dance sessions, the use of iPEP (our electronic planning, assessment and tracking tool) and team teaching.</p> <p>Teachers were able to increase their confidence and collect a range of new activities and resources.</p>	<p>Peer teaching of PE ensures that all our staff remain skilled at teaching the PE curriculum and provides ideas of ways active learning can be promoted throughout the curriculum.</p> <p>Teachers are also well aware of the children's ability level in this subject as they regularly experience to lesson alongside the children.</p>	<p>£2090</p>
<p>Increased engagement of all children in physical activity at break and lunch times.</p>	<p>Play Leaders have been very successful in promoting sport at lunch times and engaging children in physical activity this year. Children are now far more active in their play and are experiencing a wide range of different sports and activities.</p> <p>A wide range of new and different resources have been purchased and have been available to children at playtimes and lunchtimes. This has promoted increased physical activity.</p> <p>Healthy eating parent and child workshops were set up in partnership with HealthBox to promote healthy eating and healthy lifestyles alongside sport and exercise. Workshops were well received by classes who have attended so far. Some workshops have been postponed due to the outbreak of Covid-</p>	<p>Children like lots of different activities. Therefore, in order to engage all children in physical activity, it is important to vary the activities on offer.</p> <p>Offering activities in line with upcoming House Sports Competitions and inter-school fixtures/competitions has helped with team selections and contributed to our sporting successes.</p> <p>Engagement of parents at parent and child workshops was good so we can look at doing further workshops involving parents in the</p>	<p>£2425</p> <p>£3221</p> <p>£2555</p>

<p>Increased participation in competitive sport.</p>	<p>Half-termly house competitions have been introduced to provide opportunities for all children to take part in competitive sport. A high percentage of children from all year groups have participated in a House Competition and children from Year 6 have also taken on wider sporting roles including: team manages, coaches, umpires/referees and organisers.</p> <p>Willaston teams have actively competed in all Neston Cluster competitions. This includes: Tag-Rugby, Quick Sticks Hockey, Mixed Football, Girls Football, High 5 Netball, Basketball and Sports Hall Athletics. Our teams have been very successful:</p> <ul style="list-style-type: none"> - Girls Football: County Champions and due to compete in the North of England Competition. - High 5 Netball: Neston Champions, District Champions and 2nd overall in the County. - Tag Rugby: Neston Champions, District Champions and competed in the County Finals. - Basketball: Neston Champions, District Champions and due to compete in the County Finals. - Our Football and Netball teams are undefeated in their leagues. 	<p>House Sports Competitions have been very successful. Children have enjoyed competing in mixed teams with children from different year groups. Changing the sport each half term and allowing children to vote for the sport has ensured maximum participation. Children who do not want to participate have enjoyed supporting their House Teams and taking on wider sporting roles. Younger children who do not have as many opportunities to participate in inter-school competitions have been given many more chances to get involved.</p> <p>Spreading Neston Cluster Sports Competitions throughout the academic year has allowed us to ensure we are offering opportunities to compete more regularly.</p> <p>The introduction of Football and Netball leagues in the Neston Cluster have been</p>	<p>£669</p>

Setting fixture dates at the Neston Cluster PE Leads Meeting will help to ensure that all fixtures are played next year.	
All children able to access physical activity.	We have provided additional physical activities for some of our children who have additional needs. This includes horse riding and swimming. Horse riding and swimming sessions have been well received by these children and they have shown progress.	Starting swimming a year earlier and providing specialist teachers who go in the water with the children enables the children the best possible opportunity of achieving 25m in Year 6. Horse riding and swimming for children with additional needs ensures that our provision for PE meets the individual needs of all our children. Physical activity and wellbeing is promoted.	£2064
