Clubs may have limited space and may have a maximum number of pupils assigned to them which will be offered on a 1st come 1st served basis. Once the maximum number is reached, you will be unable to sign up for the club this term. Any clubs with outside suppliers that require booking using their own booking link will manage their own numbers and must be booked and paid for directly with them to confirm a place.

Clubs start week commencing Monday 16 September 2024 (See individual clubs for specific dates) and bookings close once maximum number reached or by 9 am on Friday 13 September (if after this date, please call school office to see if places are still available to book). Should you require assistance booking your child onto a club, please contact the school office.

Children are to go straight to their chosen club at the time specified, to register and get changed (if necessary), and are to be collected promptly from the school playground at the time specified if an after-school club. We will assume that all children will be collected following their after school Club. However, if your child has permission to walk home after club (note nights will be getting dark earlier soon), please inform the club directly or contact school office (this is separate to school permissions for home-time arrangements). **If your child is unable to attend any session, please email or call the school office on 0151 832 5360 / office@willastonce.cheshire.sch.uk so we can inform the teacher and update registers.**

A huge thank you to staff for giving their time. Clubs offered by teachers are normally free and clubs offered by outside agencies require payment and booking with them directly to secure a place. Please see forms sent separately on Parentmail (and club flyers if applicable) for full details and how to book each club.

It may occasionally be necessary to cancel a club due to adverse weather conditions/reasons beyond our control, sometimes at short notice. If a club is cancelled, a message will be sent as soon as possible via ParentMail.

Should you require a paper copy of any clubs letters or forms, please request from the school office.

Thank you.
