Dear Parents and Carers,

I hope this letter finds you well.

As we come to the end of another successful school year, I would like to take a moment, on behalf of the Governing Body, to thank you for your unwavering support and commitment to our school. It has been a year filled with achievements, celebrations and memorable moments, none of which would have been possible without the partnership between home and school.

I would like to sincerely thank all our parents and carers for the trust you place in us each day. We are incredibly grateful that you choose to work alongside us in giving your children the very best education and experiences. Your support, whether through encouraging reading at home, attending school events, volunteering your time, or simply reinforcing our values, makes an enormous difference.

A special thank you goes to our fantastic Parents' Association. Their hard work, enthusiasm and commitment have raised valuable funds that continue to enhance the experiences and opportunities available to our children. I would also like to thank everyone who has supported fundraising events throughout the year. Every contribution, no matter how big or small, has a real impact. In a time of increasingly tight school budgets, your generosity enables us to provide resources, activities and enrichment opportunities that greatly enhance our children's education.

Thank you also for your commitment to ensuring children arrive at school on time and attend regularly. Good attendance is one of the strongest indicators of future success, and I am incredibly proud that our school's attendance is amongst the highest in the country. This is a reflection of the excellent partnership we share with our families and the value you place on your children's education.

There have been so many highlights this year. Our Year 6 pupils should be immensely proud of the wonderful production they performed. Their confidence, teamwork and talent shone throughout, and they created lasting memories for everyone who watched. Likewise, congratulations to our Drama Club for their fantastic performance of Oliver! Their dedication and enthusiasm were evident, and they showcased the incredible talent we have within our school community.

As always, our staff have gone above and beyond for our children. I would like to express my sincere thanks to Mr Graham, our leadership team, teachers, support staff and everyone

who works so tirelessly behind the scenes. Their professionalism, care and dedication ensure that our school continues to be a place where children flourish academically, socially and emotionally.

Finally, I want to thank our wonderful children. Their enthusiasm, resilience, kindness and love of learning are what make our school such a special place. They are a credit to their families and to our community.

It continues to be an immense privilege to serve as Chair of Governors. Every time I set foot in the school, I am filled with pride and joy. The warmth, ambition and sense of community that exists within our school are truly remarkable, and I feel incredibly fortunate to work alongside such dedicated staff, supportive families and inspiring children.

Thank you once again for everything you do. I wish you all a happy, safe and restful summer break, and I look forward to another successful year together in September.

With warmest regards,

Richard Hinds

Chair of Governors
